Progressive Payback: Progressive jackpot eligible classes have an asterisk * by the class code. These are classes that have a score and winner can be easily identified by those scores. Winner with the highest score in each division (horsemanship, shih, wd, dressage, trail etc.) gets 75% of total added Jackpot fees. Entries all pay the same class fees and have the option of adding the progressive $25 per division fee. They can go in as many classes as they want that are eligible for the division with one jackpot fee. The highest score for that entry will be considered. One jackpot added $25 per entry per division. Progressive fee must be paid before class starts. The highest scored entry in any one ride with added progressive jackpot paid fee will be the winner. It is an option, not a requirement, and must be paid before the division/class starts. There is no cap based on # of entries, the pot just keeps growing!

Example1-If there are 12 entries over the whole trail division, and 8 add the progressive jackpot: 8 X $25 =$200. Winner gets 75% of $200 which is $ $150 to the highest achieved score for all trail scores of eligible progressive rides. All scores will be ranked from highest to lowest for the whole division. One horse may have 4 scores, but their highest will be considered.

Example 2- If there are 20 western dressage entries/horses, 20 of them add the progressive jackpot for $25 per entry/horse. 20 x $25=$500. The highest score of the WD rides that paid that $25 fee before the class get 75% of $500 which is $375. Those 20 entries may account for 34 rides. All 34 scores are in the ranking. Highest score that paid the progressive jackpot fee is the winner regardless of any lower scores.
