Hunter Divisions: $90/Division
Child/Junior divisions open to riders 17 and under. Adult Amateur divisions open to riders 18 and older who are amateur riders. Open divisions open to all horses and riders. Year end points awarded to Juniors and Amateurs only. Divisions may be combined at managements discretion. Each Hunter Division consists of the following classes:

Hunter Over Fences:
Horse and rider to be judged on style, manners, and performance while jumping a course of 8 fences. The horse should display a steady rhythm, good form over fences, correct striding, and smooth, balanced turns. Riders are expected to guide their horses with quiet, effective aids, maintaining a consistent pace throughout the course.

Handy Hunter Over Fences:
Tests all the same qualities as a regular hunter class - style, manners, and quality of movement over a course of jumps - but adds elements that showcase a horse's handiness, or ability to navigate more challenging tasks smoothly. Courses may include tighter turns, rollbacks, trot fences, bending lines, or jumps taken off a shorter approach

Hunter Undersaddle:
Horses are shown on the flat at the walk, trot, and canter both directions of the ring. The class is judged on quality of movement and overall performance.

Extra Ride (Hors Concours): $30.00
If riders wish to attempt the course again, they may pay a $30 Extra Ride fee and re-ride the course Hors Concours.

RIDING • CLUB

Open Halter Class All Breed, All Ages (In-Hand)
An all-breed halter class judges horses on their overall conformation, quality, and presence, regardless of breed. Horses are shown in-hand at the walk and trot and evaluated on structure, balance, movement, and overall condition. This class highlights the horse's natural quality and suitability as a performance or breeding prospect. The handler is not judged.

Class #350

Open Showmanship at Halter (In-Hand)
A class judged on the handler's ability to present a well-turned-out horse in-hand. Exhibitors must complete a designated pattern demonstrating leading, setting up, turning, and overall presentation. The horse is judged on manners, grooming, and condition only; conformation is not considered. This class focuses on precision, control, and professional presentation by the handler.

Class #450

In-Hand Trail Class
An "in-hand trail class" judges a horse and handler's performance navigating a course of obstacles while the handler is on the ground, leading the horse by a halter and lead rope. The class emphasizes the horse's manners, willingness, and responsiveness to the handler, with credit given for style and speed as long as carefulness is maintained. Typical obstacles include gates, logs, poles, bridges, and a box for pivoting.

The Platinum Show Series is a group dedicated to giving back to the grass roots of the lower mainland's hunter jumper community. Our goal is to keep showing costs affordable while providing competitors with a great experience. Our low pressure atmosphere is a great introduction for both horses and riders to the showing experience. The Platinum Show Series keeps track of points each horse and rider combination accumulate throughout the year when they attend our designated shows. Year end awards are given out to the top two horse and rider combinations in each division on the last day of the Country Lane Classic. If you are interested in volunteering to give back to our community, please contact Country Lane Farm or Southlands Riding Club.
