Any horse upon which a violation of the manual poling and/or use of bamboo offset rule is perpetrated will be suspended from competition for a 24-hour period starting from the time of the incident, and will forfeit all entry fees. Any further violations by that exhibitor on the same horse or another horse will result in said exhibitor being barred from any further competition at the show.

ANIMAL WELFARE: We require that all horses be treated with kindness, respect and compassion and should never be subject to mistreatment. Owners, trainers, riders and grooms, or their agents must use reasonable care in the handling and treatment of their horses whether owned or placed in their care for competition or for any other purpose. At all times while the horse is on the showgrounds we will provide for the continuous well-being of the horse by vigorously enforcing the rules of USEF which pertain to the welfare of the horse. Exhibitors are cautioned that GR839 which defines the USEF's policy on abuse and GR803 which pertains to the use of whips, will be strictly enforced. No poling, use of a bamboo off-set, or excessive use of the whip will be tolerated. Any handling and veterinary treatment should ensure their health and welfare. High standards of nutrition, health, sanitation and safety shall be maintained at all times. Adequate provision should be made for ventilation, feeding and watering and maintaining a healthy environment. Any method of riding and training should take account of the horse as a living entity and must not include any technique considered to be abusive. The well-being of the horse must be considered above the demands of the breeders, trainers, riders, owners, dealers, organizers, sponsors or officials. Violators are subject under the above rules to elimination from competition and to protest or charge with resulting formal proceedings which may result in severe fines, suspensions or other penalties.

Minors who have a valid temporary license may operate the above-described motorized vehicles as long as they are accompanied by an adult with a valid driver's license. The parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating a motorized vehicle in violation of this rule are solely responsible for any damages, claims, losses or actions resulting from that operation. Violations of this rule will be cause for penalties against those responsible for the child committing the offense. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule. The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. Operating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties.
