Trainer Partnership Program

The Midwest Show Circuit recognizes the professionals and programs who support our shows by bringing riders to compete in the Midwest Show Circuit. Trainers or programs bringing three (3) or more horses to a Midwest Show Circuit event will receive a payment equal to 10% of the total class entry fees generated by their riders.

Riders competing under the same trainer, stable, or program affiliation will be grouped together as one program. Programs with multiple trainers will be considered a single participating program.

Payments will be issued to the designated trainer or program representative within one week following the show as a thank you for supporting the Midwest Show Circuit.
