2025 STALL RESERVATION POLICY FOR PASO PARK-MANAGED HORSE SHOWS

Stall requests can be made by trainers or by independent riders. By completing the online form, texting 805-369-1323 or emailing stalls@pasorobleshorsepark.com to request stalls, you acknowledge that you accept the full financial responsibility of the reservations you make on your behalf individually, or on the behalf of yourself and your training clients. We strongly advise that initial reservations be completed on the stall reservation form at pasorobleshorsepark.com/stall-reservations/. Updates can be made to your reservation at any point prior to the stall confirmation deadline by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

As soon as possible, you will be notified by Park staff if your reservation can be accommodated or if you are on a waitlist for that show. The following outlines your financial commitment and fees related to stall reservations:

- Prior to the posted Closing Date: No financial penalties for reducing or canceling your total stall reservation.
- After entry Closing Date: You are financially responsible for the full cost of the total number of stalls most recently requested and a \$50 office fee per stall reserved.

In the case that there are still stalls available after the related Closing Date of a horse show, late reservations may be made by texting 805-369-1323 or by emailing stalls@pasorobleshorsepark.com.

All late reservations must include a firm stall count and will have 48 hours after sending that count to make final adjustments, after that point you will fall into the financial commitments outlined above. If your stall needs to change after that deadline you may work with other trainers to take those stalls,

HOWEVER:

- Exchanges of stalls between trainers must be communicated to the Paso Park staff in writing for final approval and must include both trainers on the communication.
- Any exchanges made between trainers less than 10 days before the start of the show may not be accounted for in the stall chart.
- If there is any misunderstanding between trainers as to who is responsible for the stall cost, it will be the trainer that had them originally reserved that is ultimately financially responsible for the stalls.

If something does change please don't hesitate to reach out to us as soon as possible. In the case of a serious medical incident, a doctor's note or veterinarian's note received via email at least 48 hours in advance of the first day of scheduled competition will result in waiving the stall fees; however, the \$50 office fee will still be due.

The above language outlines the policy we follow, but with advanced notice, we will always try to work with trainers as best we can while maintaining a fair approach for all competitors.

REFUNDS

In the case that you will no longer be able to attend the horse show, please refer to the chart below to determine if you owe outstanding fees or will be receiving refunds. We appreciate your efforts to help us be organized in preparing

for the shows and allowing us to accommodate as many competitors as possible. Should an unforeseen circumstance arise, please do not hesitate to reach out to management to discuss the details and determine if an exception can be made.

What is my outstanding balance?

	SCRATCH OR ENTRY CHANGE	DETAILS	OUTSTANDING BALANCE IF... <i>Before entry closing date</i>	OUTSTANDING BALANCE IF... <i>Request was submitted after entry closing date</i>

NorCal Equitation Classic

NEW THIS YEAR!

The Paso Robles Horse Park is excited to be selected as the host of the NorCal Hunter Jumper 2'6" Equitation Classic.

ELIGIBILITY

There will be a junior and senior section of this special experience! To compete, current membership with the NorCal Hunter Jumper Association is required of **both** the rider and trainer.

THREE PHASES

Featuring equitation over fences, equitation on the flat, and gymnastics phases, this Classic is a fun opportunity to compete across multiple days for special NorCal Hunter Jumper prizes.

For more information, see full specs on page 14

SPECIAL CLASSES

\$2,499 Speed Stake March 22 | May 24 | October 11 | November 15

Order of go will be posted at least one hour prior to the start of the class. Competitors must appear in order of the posted order of go. All competitors must submit their bios in the horse show office by no later than Noon on the day of the class.

Competition will be held over a minimum of eight fences at a height of **1.15m**. The class is judged in USEF Table III, faults converted to time.

SPECIAL CLASSES

\$2,500 Pick Your Line Derby March 21 | May 23 | October 10 | November 14

All competitors will compete in the first round over a course of at least ten fences at **2'6" in height** with up to four higher height **options of 2'9"-2'11"**. The first round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. Once the judge's score is given, one point will be added for each high option fence jumped.

At the conclusion of the first round, the top 10 riders will be invited back for a "pick-your-line" handy round. Riders must **create and ride a course of six to nine fences**, selecting the handy or derby elements that they feel will best demonstrate the strengths of their horse. The second round will be judged on performance, hunter pace, jumping style, quality and substance, and movement. The course may include up to four higher height option fences of 2'9"-2'11". All jumps, including those that were part of a high option in the first round, are considered individual fences and may be jumped as such (meaning if

there was a high option for a jump in the first round, and you would normally only jump one of the options in the first round, you may jump both in the second round and have it considered as two fences). Competitors will be given a blank course map at the time of the walk; they must indicate the planned second round course on this map and turn it in prior to starting their first round. The judge will be given the maps so he/she is able to determine if the competitor is completing the intended round. Once the judge's score is given, one point will be added for each high option fence jumped. All fences in the second round are to be jumped at normal canter pace unless a different gait is specifically noted by the course designer on the course map.

The combined score from round one and round two will determine overall score and placement in the class.

Note: Pick Your Line Derby will not count for USEF points.

CLASS SPECS

Hunter Classics

Horses or ponies must have competed in at least two classes of the related section. Unless specified otherwise, the final round over fences in each section is to count as the first round of the respective Classic. All hunter rounds will be scored under the open numerical judging system. If a horse is not present for either the first or second round of a Classic, that horse will receive a zero score in that round. Scores will be totaled from both the first and second round to determine the winners. All overall ties will be broken by using second round scores. Classes 21 and 22 the Junior/AO Hunter Classics and 20 the Child/Adult Hunter Classic will not be eligible for Horse of the Year bonus points. Prize money divided 30%, 20%, 15%, 13%, 12%, 10%.

Paso Park Medal

Hosted at the Paso Park Schooling Show Series, the Paso Park Pathway Series, and other California shows, the Paso Park Medal features fences not to exceed 2'6" in height. A minimum of two riders must complete the course in order for the round to qualify for points. The top four riders (if available) in the class may be asked to work off at the judge's discretion. Alternatively, the course designer may choose to integrate the test(s) into the posted course. Tests may include USEF equitation tests 1-17. This class may be run in either a jumper or hunter competition arena; jumper-style tack is permitted, no time allowed is to be considered. This class is open to all junior and amateur riders. Riders may not cross enter in the Lindsay Ashburn Memorial Green Rider Medal. Finals of the Paso Park Medal will be held at the Turkey Trot & Jump Show. Points from shows hosting the medal between December 1 of the previous year through October 31 of the current year or at the Turkey Trot & Jump Show are eligible to qualify a rider for the Finals.

Points are to be awarded as follows: 1st - 7pts, 2nd - 5pts, 3rd - 4pts, 4th - 3pts, 5th - 2pts, 6th - 1pt. Riders with 7 points or more are invited to participate in the Paso Park Medal Final. Any rider that has previously won the Paso Park Medal Final is no longer eligible to compete.

Lindsay Ashburn Memorial Green Rider Medal

Hosted at the Paso Park Schooling Show Series, the Paso Park Pathway Series, and other California shows, the Green Rider Medal features fences not to exceed 2' in height. Class is to be held over a hunter-style equitation course. A minimum of two riders must complete the course in order for the round to qualify for points. The top four riders (if available) in the class may be asked to work off at the judge's discretion. Alternatively, the course designer may choose to integrate the test(s) into the posted course. Tests may include USEF equitation tests 1-6 and 10-13. This class is open to all junior and amateur riders who have not competed at heights above 3'. Riders may not cross enter in the Paso Park Medal. Finals of the Green Rider Medal will be held at the Turkey Trot & Jump Show. Points from shows hosting the medal between December 1, of the previous year through October 31, of the current year or at the Turkey Trot & Jump Show are eligible to qualify a rider for the Finals. Points are to be awarded as follows: 1st - 7pts, 2nd - 5pts, 3rd - 4pts, 4th - 3pts, 5th - 2pts, 6th - 1pt. Riders with 7 points or more are invited to participate in the Green Rider Medal Final. Any rider that has previously won the Green Rider Medal Final is no longer eligible to compete.

NorCal Hunter Jumper Equitation 2'6" Classics

To compete, current membership with the NorCal Hunter Jumper Association is required of both the rider and trainer. Riders may not compete over 2'9" at the same show. The Equitation Classic consists of three phases, including equitation over fences, equitation on the flat, and a gymnastics phase; the same horse must be used for all three phases. Scores from all three phases will be combined to arrive at the overall placings. Classics are offered in a junior and amateur section, although in cases of less than three entries, these sections may be combined.

English Pleasure Hunter Seat Classes

Forward, balance seat or side saddle, snaffle bridle, pelham with two reins, kimberwicke bits or a full bridle (curb and snaffle). If a full bridle is used, it must be of hunter-style and excessive length of curb shank shall be penalized. Breast plates are permissible, but martingales are prohibited. Horses may be shown with or without braided manes and/or tails. For rider, traditional hunter-style jacket, breeches or hunter jodhpurs, dark hunting cap, derby, or protective headgear and appropriate boots. Tall dress or tall field boots are preferred as traditional. Paddock or jodhpur boots with matching half chaps are permitted although not considered as traditional. A stock, choker or four in hand with any color shirt is correct. In all classes gloves, hunter crop or bat, and spurs are optional. Riders must wear fastened protective headgear which meets or exceeds ASTM (American Society of Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag (See GR801.4) when mounted. Shadbellies are prohibited.

Race for the Pot O' Gold

Held at Shamrockin' Show, this class is conducted in accordance with USEF rules JP 150.1 for Special Classes Gambler's Choice at a height of 0.70m. Following the tone from the judge, competitors will cross the indicated start line in either direction and will have 60 seconds to complete a course of their choosing in an effort to secure the greatest number of "gold coin" points. Obstacles will be marked on a course map with varied gold coin values available for each obstacle if cleared successfully; values will range from 10 - 120 coins. One of the obstacles (the Rainbow Jump) will be a more difficult obstacle and will have the highest gold coin value of 200 coins. The Rainbow Jump can only be jumped in the indicated direction. If the Rainbow Jump is knocked down those points will be subtracted from your total. At the completion of the 60 seconds, the judge will sound a tone to indicate the end of the round. At that time the competitor must cross the finish line to stop the clock. Each obstacle may be jumped twice; however, jumping an obstacle that has been knocked down or more than twice will result in disqualification. The competitor with the greatest number of gold coins is the winner. In the event of a tie for number of points, the final time will be considered. All can participate but only juniors and amateurs can win!

Rosé Hack & Splash

Held at Rosé in May, competitors will be given a plastic cup to hold during the class. All cups have been evenly filled with liquid. You will be worked by the judge at the walk, trot and canter. Following the flat phase, riders will be asked to line up and then will be directed by the judge to complete a line of two fences set at 2'. Any rider that does not make reasonable effort to complete the directions of the judge will be disqualified. The winner is the competitor with the most liquid still remaining in his/her cup. All can participate, but only juniors and amateurs can win!

Pumpkin Power, Plop & Speed

Riders are asked to jump a course of 4 fences and 4 candy stops set at 0.70m. After each fence, the rider must plop a single piece of candy into the Jack-o-Lanterns without dropping the candy or knocking over the bucket. Any fallen rails, candies, or buckets are 4 faults converted to time. The fastest time wins. All can participate, but only juniors and amateurs can win!

Turkey Dinner Relay

Follow the course map to jump 4-6 jumps with 3-4 buffet stations in between to build your dinner basket. To complete the relay you must return to the back gate with a full plate containing all Thanksgiving dinner items listed on the course map. Faults are calculated based on standard jumper table 2 rules and four faults will be added for each missing dinner item. Fastest time with lowest faults wins. All can participate, but only juniors and amateurs can win!

IMPORTANT POLICIES OF THE SHOW

Adds & Scratches Due By 5 p.m. Daily

All changes for the next day, including adds and scratches, must be made by 5 p.m. each day in the office. This allows the next day's schedule to be created with class counts and times, and made available to everyone in a timely manner. These shows allow same-day adds as long as the schedule in each ring allows for such. Any changes made after 5 p.m., if accepted, will be considered SAME DAY and will fall under the policy for same day adds and scratches. There will be a \$5 per transaction fee for same day adds.

Same-Day Adds

Any same-day adds or scratches must first be done at the show office. Once add/scratch forms are completed with office, slips must be brought to the back gate. If any same-day scratches are not done in the office before the start of the class, that class will not be removable from the show bill.

Canceled & Combining Of Classes

Classes with less than the entry minimums may be either canceled or combined with other classes, at management's discretion. Often this is determined at 5 p.m. the day prior to the class. Please enter in all your desired classes by 5 p.m. the day before.

Scratch Your Classes BEFORE They Start

Be sure to stop by the Horse Show Office or utilize horseshowing.com to scratch any classes you have entered that you won't be showing in BEFORE the start of the class. If you don't scratch them at all, or try to scratch them after the class has started, you will be charged the full entry fee.

Posted Time Schedule

The most accurate estimation of the daily time schedule will be completed after adds and scratches have been entered. We strive to post this schedule by 7 p.m. the day prior. The schedule can be found at www.PasoRoblesHorsePark.com/Daily-Show-Schedule.

Each round may be 3-5 minutes long and can be utilized for hacking or jumping portions of the posted course. There is no changing of jump heights or directions allowed. Only one trainer per timed window at a time, the back gate will announce a 30 second warning to the conclusion of your time, if you continue to ride past that 30 seconds, an additional ticketed round will be charged to your entry. Everyone riding a ticketed warm-up must wear a number. All rounds will be billed to the number recorded; however, trainers may choose to wear a single number throughout the day and have all ticketed warm-up charges included on the trainer split. No poling or offsets allowed. Once the show week begins, on Thursday of each week, the above policies will take effect in each specified arena.

Please note all schooling access is subject to weather, footing, and schedule constraints as determined by show management. Absolutely no schooling will be permitted 30 minutes after sunset each day. Any end-of-day over fences schooling must be confirmed with management through back gate staff.

After that point you are fully responsible for the stall fee related to each specific horse’s entry and for a \$50 office fee. SCHOOLING & WARM-UP POLICIES

"Ticketed Warm-Ups" are held on Wednesday in rated arenas and Thursday and Friday in the Outreach Arena. The intent of these is to allow introduction to the competition space in advance of the show, it is not to host extensive schooling or teaching of lessons in the show rings; please plan to utilize the warm-up rings for those activities. **Each round may be up to five minutes long** and can be utilized for hacking or jumping portions of the posted course. There is no changing of jump heights or directions allowed. Only one trainer per five minute window at a time, the back gate will announce a 30-second warning to the conclusion of your time; if you continue to ride past that 30 seconds, an additional ticketed round will be charged to the entry number worn. Everyone riding a ticketed warm-up must wear a number. All rounds will be billed to the number recorded; however, trainers may choose to wear a single number throughout the day and have all ticketed warm-up charges included on the trainer split. No poling or offsets allowed. Once the show week begins on Thursday the individual arena policies will take effect in each specified arena.

Please note all schooling access is subject to weather, footing and schedule constraints as determined by show management. **Absolutely no schooling will be permitted 30 minutes after sunset each day.**
Any end-of-day over fences schooling must be confirmed with management through back gate staff.

L.D. HAYES GRAND PRIX ARENA SCHOOLING POLICY

No schooling or riding is permitted in L.D. Hayes Grand Prix Arena during the show week.

JW ARENA SCHOOLING POLICY

Each morning of the show week pending weather, particularly rain and frost, the arena will be open for **hacking only, no jumping, from sunrise until one hour before the scheduled start time** of the first class. Following the completion and reset at the end of each show day, schooling over fences after the course has been reset may be permitted at management's discretion.

FAIRWAY GRAND HUNTER FIELD SCHOOLING POLICY

Each morning of the show week the arena will be open for **hand-walking from sunrise until 30 minutes before the scheduled start time**. If overnight temperatures drop below 35 degrees, this will not be available in order to preserve the quality of the field. No schooling or riding is allowed in this arena during the show week.

BUTTERFIELD AND OAK GROVE ARENAS SCHOOLING POLICY

Each morning during the show the arena will be **open from sunrise until 45 minutes before the scheduled start time for hacking only, no jumping**. Following the completion and reset at the end of each show day, schooling over fences after the course has been reset may be permitted at management's discretion.
