Platinum Show Series

Facilities currently holding Platinum Show Series:
Southlands Riding Club
Country Lane Farm

The Platinum Show series is a group of show facilities that have come together to host shows dedicated to giving back to the grass roots of the lower mainland's hunter jumper community. The goal is to keep showing costs affordable while providing competitors with a high level experience. The Platinum group has focused on providing competitors with something a little extra including, show Photography included in your entries, high performance judges, exceptional prizes, prize money to winners that exceeds your entry fee's and a lot of fun with a low pressure atmosphere that is a great introduction for both horses and riders to their showing experience. Our shows are run with the help of our dedicated Volunteers.

The Platinum Show Series keeps track of points each horse and rider combination accumulate throughout the year when they attend our designated shows. Year end awards are given out to the top horse rider combination in each division. The Platinum series runs from October 1st to September 30th

If you are interested in Volunteering to give back to our community please contact Country Lane Farm or Southlands Riding Club for more information.
