## EC SPORT LICENSING 2025

# SAFETY, INCLUSIVITY, & EXCELLENCE

Your guide to the latest updates for the competition season in Canada

IMPORTANT CHANGES have been implemented to enhance the safety and inclusivity of equestrian sport. Whether you're an athlete, parent, coach, official, or competition staff, your role is crucial in upholding these standards. Here's what you need to know:

### SAFE SPORT TRAINING PREREQUISITE:

- The two free EC Safe Sport training modules must be completed before purchasing a Sport Licence. Check your training status on MyEC by clicking on the ECampus button.

### DISCONTINUED TEMPORARY LICENCES AND TEMPORARY HORSE REGISTRATIONS:

- Temporary EC Sport Licences are now discontinued at competitions. All riders, owners, and coaches must possess an EC Sport Licence to participate in events. All horses must have a Horse Recording where level and division require.

### AVAILABLE SHOW LEVEL UPGRADES:

- Explore higher-level competitions with temporary upgrades via your MyEC Portal. Note: National Rankings Points are not tabulated for upgraded results.

### COACH STATUS REQUIREMENTS:

- All coaches at EC-sanctioned events require EC Licensed Coach Status. For upgrading from Registered to Licensed Status, coaches can apply for a Temporary Coach Status (TCS) to fulfill the requirement for each event.
- New for 2025: A TCS may be purchased conveniently online via the MyEC Portal only. Each TCS is valid for a single event.

### EMPOWERING SELF-COACHED ATHLETES:

- Athletes without a coach on-site can declare themselves as self-coached by providing their name and EC Sport Licence number on their entry form. Coaches that are not present at the event with the athlete are not to be listed on the entry form.

> "When registering for EC sanctioned competitions, athletes must indicate the name of their coach on the entry form or specify that they are self-coached. Coaches from other countries, must be in good-standing with their home federation and must declare/have proof of insurance. See Rules of Equestrian Canada, Section A, General Regulations, Article 102, Safe Sport Environments."

# SPECIALTY CLASSES & AWARDS

## DRIVEN DRESSAGE

**Class #1000 Entry fee: $200**

We are excited to announce the return of the Driven Dressage class at the BCDCs! In this driven dressage class hosted on Saturday August 29th, riders will drive a golf cart through a simple driven dressage test. This test will be scored like a regular dressage class - except for the fact that bribery of the judges is encouraged! We also encourage riders to arrive in fancy dress; the collective score on the test will be based on your costume and comedy. This class is open to all levels of riders, and your final driven dressage score will be combined with your best regular dressage score of the show so far. The highest total scorer will keep the golf cart! Entry fee $200. All participants may enter class twice. Entries at the gate are allowed and encouraged. All drivers must hold at least an "L" drivers license. Those without a drivers license may have a licensed driver complete the test, provided they are in the passenger seat.

## PIZZA & MARGARITA NIGHT

Alongside the driven dressage class, we will be hosting a Pizza & Margarita social, free for all spectators of the driven dressage class, and hosted under the tents on the berm. We can't wait to see you there!

# RISING STARS YOUTH DRESSAGE EQUITATION PROGRAM 2026

## CLASSES ON FRIDAY AUGUST 28, 2026

**Foundation Level Classes (Introductory to Second Level): #901**

**Progressive Level Classes (Third to FEI Level): #902**

**Ride Off Class (No Entry Needed): #900**

---

The top two riders from both class #901 and #902 will be invited to the equitation final on Friday at the end of the day. This will be a group ride off with the top four riders from the days technical tests. Will be judged in walk trot canter both ways based on their equitation.

---

Recognized as a Dressage Youth Development Program by Equestrian Canada

The Rising Stars Equitation Program was developed and continues to be overseen by the Rising Stars Youth Dressage Committee established in 2004 in Chilliwack, British Columbia. In 2019 the Rising Stars Equitation program was recognized by Equestrian Canada as a Dressage Youth Development program.

Objectives:
To assist in the development, improvement, and continuing advancement of the equitation skills required by Youth Dressage riders by providing an ongoing evaluation of their equitation skills during the performance of a technical dressage test. The improvement of equitation skills is the best pathway to develop Youth Dressage riders toward the higher levels.

Description:
A Dressage Equitation Judge will use the *Rising Stars Youth Dressage Equitation Score Sheet* to evaluate the rider based solely on rider skills during a technical dressage test. The Rising Stars Equitation program is for all Youth Dressage riders, up to and including 25 years of age.

Two (2) Judge system: The Judge at C will be judging the technical test. The second Judge at B will be judging the equitation test. The Equitation Judge can be added to a scheduled technical class.
