Year end points awarded to Juniors and Amateurs only. Divisions may be combined at managements discretion. Each Hunter Division consists of the following classes:

Hunter Over Fences:

Riders are expected to guide their horses with quiet, effective aids, maintaining a consistent pace throughout the course.

Handy Hunter Over Fences:

Tests all the same qualities as a regular hunter class - style, manners, and quality of movement over a course of jumps - but adds elements that showcase a horse's handiness, or ability to navigate more challenging tasks smoothly. Courses may include tighter turns, rollbacks, trot fences, bending lines, or jumps taken off a shorter approach

Hunter Undersaddle:

Horses are shown on the flat at the walk, trot, and canter both directions of the ring. The class is judged on quality of movement and overall performance.

Southlands Riding Club
Country Lane Farm

The Platinum Show Series is a group dedicated to giving back to the grass roots of the lower mainland's hunter jumper community. Our goal is to keep showing costs affordable while providing competitors with a great experience. Our low pressure atmosphere is a great introduction for both horses and riders to the showing experience. The Platinum Show Series keeps track of points each horse and rider combination accumulate throughout the year when they attend our designated shows. Year end awards are given out to the top two horse and rider combinations in each division on the last day of the Country Lane Classic. If you are interested in volunteering to give back to our community, please contact Country Lane Farm or Southlands Riding Club.
