ABOUT
Cheryl & Co.

Cheryl & Co. was founded in 2003 by Cheryl Sims. For the better part of two decades, Cheryl and her son Jay have worked to provide high quality horse shows throughout the southeast. Cheryl & Co, is based in Atlanta Georgia and has hosted shows in Alabama, Florida, Georgia, Louisiana, Mississippi, North Carolina, and Tennessee. We pride ourselves on knowing our customers and doing everything in our power to deliver to their expectations.

For a long time it has been our goal to provide quality USEF rated competitions at Wills Park. The new Channel system has made that possible and we are very excited to be able to offer a new level of showing to the area.

This will be our Fourth year of offering the Channel II system and we are excited to see these shows grow.

Thank you,

Jay, Cheryl, Jacob, and the Staff of The Co.

2026 Headgear Rule

It is compulsory for all persons at Federation licensed hunter, jumper, or hunter/jumper competitions when mounted anywhere on the competition grounds, to wear properly fastened protective headgear which meets or exceeds ASTM (American Society for Testing and Materials)/SEI (Safety Equipment Institute) standards for equestrian use and carries the SEI tag. It must be properly fitted with harness secured. The Federation makes no representation or warranty, express or implied, about any protective headgear, and cautions riders that death or serious injury may result despite wearing such headgear as all equestrian sports involve inherent dangerous risk and as no helmet can protect against all foreseeable injuries.

SAFE SPORT STATEMENT

Reminder: All USEF Life and Senior Active members, as well as participants who have regular contact with minor athletes, are required to comply with the U.S. Center for SafeSport training requirement to be eligible to participate in the competition. More information about these can be found at www.usef.org.

The Cheryl & Co is dedicated to the health, welfare and safety of all exhibitors both equine and human. To protect our equine partners, we will be enforcing the following protocols at the Cheryl & Co shows . It is advised that all horses stabling on the show grounds arrive between 7:00 a.m. and 6:00 p.m. If it is necessary to arrive at any other time you must check in with the night security officer. 1. A current (within 12 months) negative Coggins test is required. 2. A Health Certificate must be signed by a licensed veterinarian within 30 days of arrival at the Season Premiers. 3. Vaccination Requirements (per the USEF GR-845 Equine Vaccination Rule [CHAPTER 8F Welfare of the Horse] Rule Changes Effective 12/1/15) At Federation licensed competitions, horses entering the grounds must be accompanied by documentation of Equine Influenza Virus and Equine Herpes Virus (Rhinopneumonitis) vaccinations within six months prior to entering the stables. Horses not in compliance with this rule may be required to leave the competition grounds upon request by Competition Management. Documentation should consist of one of the following methods mentioned below. The frequency of vaccine administration should be per the vaccine manufacturers or veterinarian's recommendations. It is recommended that vaccines are administered by or under the direction of a veterinarian. In the case of vaccines administered by a veterinarian, the exhibitor, upon request by Competition Management, must provide documentation from the veterinarian on documenting that the horse in question received the vaccinations, name of the vaccines and date of vaccine administration. In the case of vaccines administered by a person other than a veterinarian, the exhibitor, upon request by Competition Management, must provide a receipt of the vaccine purchase which is signed by the owner, or agent with care, custody, and control of the horse; name, serial number and expiration date of the vaccine; and date of vaccine administration. In the case of a horse that is unable to receive either of the vaccinations due to a history of adverse reactions, the exhibitor, upon request by Competition Management, must provide a letter from the veterinarian on official letterhead stating that the horse in question cannot be vaccinated due to medical concerns and a log of temperatures taken twice daily for the seven days prior to entering the competition grounds. These horses must also have their temperature taken and logged twice daily while on the competition grounds. The log of temperatures should be provided to the Competition Management, steward, or technical delegate when requested. Competition Management may not amend or enhance vaccination requirements without prior approval of the Veterinary Committee 4. Any horse on the show grounds with a fever of unknown origin or of suspicious origin must be reported to Cheryl & Co management and to the Show Veterinarian. It is always better to err on the side safety. Isolation stalls will either be available on the grounds or at a local veterinary practice if the need arises. 5. Please take the time to review equine good hygiene practices. Please convey the importance of this to your equine caretakers for their daily routines. Cheryl & Co strives to provide a safe and enjoyable show experience. An important part of that experience is maintaining healthy horses. Please continue to check our web site at www.showwiththeco or on Facebook, Cheryl & Co, for any additional and possibly mandatory requirements.

All Hunter Classes are held in accordance with USEF rules and USHJA Zone 4 Specifications.

The unsafe use of personal electronic transport devices, as determined by the competition officials and management in their sole discretion, that do not require a driver's license to operate, including but not limited to segways, hover boards, and single wheeled scooters is prohibited on competition grounds. OPErating such devices in areas where people gather may be deemed "unsafe use" if there is a risk of harm to others. If the operator of the device is a minor, the parent/legal guardian or individual who signs the entry blank as a parent or guardian of a minor operating the device in violation of this rule is accountable and may be subject to penalties. Wheelchairs and other mobility assistance devices for individuals with disabilities are exempt from this rule.
